32nd Academy of Laser Dentistry
Annual Conference, Certification & Exhibition

September 4-7, 2025 – Washington, D.C.

Dear Exhibitors and Colleagues,

The Academy of Laser Dentistry (ALD) is thrilled to invite your esteemed company to participate as a sponsor and exhibitor at the 32nd ALD Conference & Exhibition, scheduled for September 4-7, 2025, in Washington, D.C.

Building on the success of our previous conference in Phoenix, this year's theme, "Empowerment and Collaboration in D.C.", will focus on fostering partnerships and sharing knowledge within the dynamic field of laser dentistry. We expect a diverse gathering of dental professionals, researchers, and industry innovators eager to exchange ideas and explore new opportunities for growth.

Why You Should Get Involved:

- **Showcase Your Leadership:** Stand out as a key player in the laser dentistry field and enhance your brand's visibility among an engaged audience.
- **Network with Industry Leaders:** Connect with dental professionals and decision-makers who are actively seeking the latest advancements and insights in laser technology.
- **Contribute to Progress:** Your participation will help drive innovation in laser dentistry, ultimately improving patient outcomes and practice efficiency.

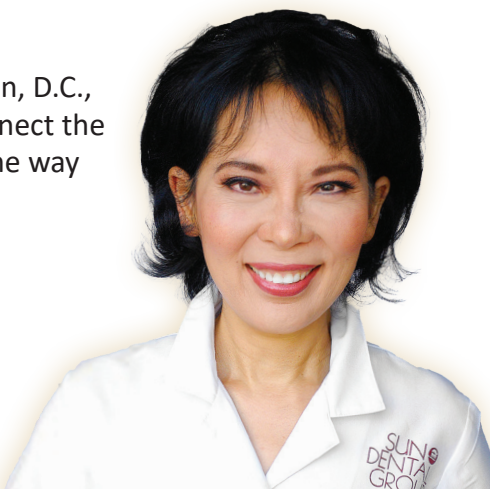

Sponsorship and Exhibition Options:

We offer a variety of tailored sponsorship and exhibition packages to suit your specific objectives. Whether you're looking to demonstrate products, engage in educational discussions, or enhance brand recognition, we have a platform that can meet your needs.

For more information on sponsorship and exhibitor opportunities, please contact us at LaserExec@LaserDentistry.org. Space is limited, so we encourage you to reserve your spot soon!

We look forward to welcoming you to Washington, D.C., for an inspiring event that will empower and connect the laser dentistry community. Together, let's pave the way for the future of dental care.

Sincerely,
Dr. Grace Sun, DDS
Chairman, 32nd ALD Conference & Exhibition
Academy of Laser Dentistry
